

Tata Motors Passenger Vehicles Ltd. to increase prices of its passenger vehicles from 1st April 2026

Mumbai, March 20, 2026: Tata Motors Passenger Vehicles Ltd. (TMPV), India's leading manufacturer of cars and SUVs, today announced a price increase for its passenger vehicle (ICE) portfolio, effective 1st April 2026.

This revision is being undertaken to partially offset the continued increase in input costs. The weighted average price increase will be 0.5 % of ICE portfolio and the extent will vary across models and variants
